DISCOVER SCUBA DIVING

Our Discover Scuba Diving class is recommended for those who haven't experienced scuba diving before or who want to give it a try. It's a great way to get a feel for scuba diving without having to make any of the scheduling or financial commitments.

What To Expect:

During this one-day class, together with an instructor you will learn how your equipment works, how to set up your gear, perform proper buddy checks, and the basics of safe diving practices. Participants will first meet at our store location before going to the pool location.

***All participants must bring their own swimsuit and towel.*

Diver Requirements:

Divers are first required to complete their Discover Scuba Registration with PADI, which can be accessed from our website (splashscuba.com). From there, all Medical Forms and Liabilities can be completed, as well as an Introduction to Scuba video. Divers scheduled for class will not be permitted into the pool without completing their online registration.

***Registration cannot be accessed without an access code. This code will only be given after payment.*

Equipment Used:

- BCD
- Tank
- Face Mask
- Fins
- Regulator & Computer
- Weights
- Snorkel

***These items will be provided by Splash Water Sports.*
